Marchwiel Community Council (MCC)
Annual Governance Statement
Explanations – FY 2023-24

AGS Assertions 1 - 9.

For the best part of 3 years MCC have had severe resource constraints as their single employed person was not able to undertake the full functions of Proper Officer/Clerk/Responsible Financial Officer. MCC appointed a Locum Clerk on 2nd February 2024 and a turnaround action plan was begun.

We have answered "No" to all 9 assertions on the Annual Governance Statement. As a Council we were not able to meet and our single employee was unfit for work for the most part.

Additional disclosure notes*

The following information is provided to assist the reader to understand the accounting statement and/or the Annual Governance Statement

1. Expenditure under S137 Local Government Act 1972 and S2 Local Government Act 2000

Section 137(1) of the 1972 Act permits the Council to spend on activities for which it has no other specific powers if the Council considers that the expenditure is in the interests of, and will bring direct benefit to, the area or any part of it, or all or some of its inhabitants, providing that the benefit is commensurate with the expenditure. Section 137(3) also permits the Council to incur expenditure for certain charitable and other purposes. The maximum expenditure that can be incurred under both section 137(1) and (3) for the financial year 2023-24 was £9.93 per elector.

In 2023-24, the Council made payments totalling £333.00 under section 137. These payments are included within 'Other payments' in the Accounting Statement.

Auditor General's report and audit opinion

I certify that I have completed the audit of the Annual Return for the year ended 31 March 2024 of **Marchwiell Community Council**. My audit has been conducted on behalf of the Auditor General for Wales and in accordance with the requirements of the Public Audit (Wales) Act 2004 (the 2004 Act) and guidance issued by the Auditor General for Wales.

Audit opinion: Qualified

Except for the matters reported below in my Basis for Qualification, on the basis of my audit, in my opinion no matters have come to my attention to give cause for concern that, in any material respect, the information reported in this Annual Return:

- has not been prepared in accordance with proper practices;
- that relevant legislative and regulatory requirements have not been met;
- is not consistent with the Council's governance arrangements; and
- that the Council does not have proper arrangements in place to secure economy, efficiency and effectiveness in its use of resources.

Basis of Qualification

Arrangements to secure economy, efficiency and effectiveness in use of resources

I am unable to conclude whether or not the Council has proper arrangements in place to secure economy, efficiency and effectiveness in its use of resources:

- 2023-24 meeting minutes not complete
Section 55 of the Democracy and Boundary Commission Cymru etc. Act 2013 requires the Council to publish the minutes of its meetings, and in so far as is reasonably practicable, any documents which are referred to in the minutes. The Council has not published the minutes of its 2023 meetings, nor were they included as part of the audit submission.
Therefore, I am unable to undertake sufficient audit work to enable me to draw a conclusion.

Other matters and recommendations

I draw the Council's attention to the following matters and recommendations which do not affect my audit opinion but should be addressed by the Council.

Burial records

The Council's burial records provided to audit were compiled from many different documents.

We recommend the Council prepare or update its existing central record of burials, to ensure it holds a complete and adequate record of burials.

Insured asset values

The total fixed assets value disclosed by the Council on Line 12 of the annual return agrees to the fixed asset register provided to audit, however the values per the asset register are not consistent with those included in the Council's insurance schedule.

We recommend that the Council review its fixed asset register and the declared value of its assets to its insurer, to ensure it has the appropriate level of coverage in place.

Annual Governance Statement

I draw attention to the negative responses provided by the Council in its Annual Governance Statement.

The Annual Governance Statement sets out the minimum standards of good governance expected of the Council.

- **Assertion 1 Financial management and accounts approval**
The Council has not approved its accounting statements prior to the 30th June deadline.
- **Assertion 3 Compliance with laws and regulations**
Section 55 of the Democracy and Boundary Commission Cymru etc. Act 2013 requires the Council to publish the minutes of its meetings. The minutes of its 2023 meetings are not published on the Council's website.

The Council has not put in place arrangements for the assessment and management of risk as required by Regulation 5 of the Accounts and Audit (Wales) Regulations 2014.

The Council has not provided evidence that it calculated its 2023-24 budget requirement in accordance with the Local Government Finance Act 1992 and that the precept has been set in line with the budget. The Act requires the Council to take into account its income and level of reserves when setting its budget requirement.
- **Assertion 4 Electors' rights**
The Council did not meet the requirements set out in the Public Audit (Wales) Act 2004 and the Accounts and Audit (Wales) Regulations 2014 to provide opportunity for public inspection of the accounts. The Council was issued with an audit notice in March 2024 to provide accounts for public inspection to be completed by 12 September 2024. The Council was late preparing the accounts and did not meet this timetable.

- Assertion 8 Implementation of prior year audit recommendations
The Council has not addressed the matters raised in the Auditor General's report on the 2021-22 annual returns, which identified the Council not maintaining an adequate system of internal control. The Council has provided a negative response to Assertion 2 in 2023-24 that deals with the internal control environment.

We recommend that the Council addresses these issues in order to ensure that it can provide positive responses in future years

There are no further matters I wish to draw to the Council's attention.
