Marchwiell Community Council (MCC)
Annual Governance Statement
Explanations – FY 2024-25

AGS Assertion 1.

For the best part of 3 years MCC have had severe resource constraints as their single employed person was not able to undertake the full functions of Proper Officer/Clerk/Responsible Financial Officer. MCC appointed a Locum Clerk on 2nd February 2024 and a turnaround action plan was begun. Our vision is to perform properly the 1st Tier Local Government function as 1st base and then to look at a step change for the Council, it needs to balance ambition with available resources. The Community of Marchwiell will be consulted as it is anticipated that the Precept level will rise to meet what the Community strives for, an attractive place to live with amenities to match.

AGS Assertion 2.

We have an adopted Code of Conduct for members, an officer equivalent is under draft and will be adopted soonest. A formal training plan is in the process of being prepared but not fully in place. In the interim members are fully informed of upcoming training opportunities and are encouraged to participate. A recent example of a member with Planning Matters as an interest was enrolled on some relevant training offered by Planning Aid Wales.

AGS Assertion 6.

We have answered that we agree, however the full data input for 2024/25 was caught up in February 2025 and Scribe Accounting can then report spend against budget. Even ahead of this, the Locum Clerk was analysing all payments individually and flagging any that were potentially un-budgeted and therefore drawing on the general reserve. Wind damage in December at the Burial Ground is an example.

AGS Assertion 8.

Process of 3 FY's in play. The latest IA report does tick off many of the issues identified in previous internal audits. It is our intention to present a fully up to date position across all financial years being examined.

Additional disclosure notes

Include here any additional disclosures the Council considers necessary to aid the reader's understanding of the accounting statement and/or the annual governance statement

The following information is provided to assist the reader to understand the accounting statement and/or the Annual Governance Statement

1. Expenditure under S137 Local Government Act 1972

Section 137(1) of the 1972 Act permits the Council to spend on activities for which it has no other specific powers if the Council considers that the expenditure is in the interests of, and will bring direct benefit to, the area or any part of it, or all or some of its inhabitants, providing that the benefit is commensurate with the expenditure. Section 137(3) also permits the Council to incur expenditure for certain charitable and other purposes. The maximum expenditure that can be incurred under both section 137(1) and (3) for the financial year 2024-25 was £10.81 per elector.

In 2024-25, the Council made payments totalling £70.83 under section 137. These payments are included within 'Other payments' in the Accounting Statement.

2.

Trust Funds

Trust funds – The Council acts as sole trustee for and is responsible for managing trust fund(s)/assets. We exclude transactions related to these trusts from the Accounting Statement. Auditor General's report and audit opinion

I certify that I have completed the audit of the Annual Return for the year ended 31 March 2025 of **Marchwiel Community Council**. My audit has been conducted on behalf of the Auditor General for Wales and in accordance with the requirements of the Public Audit (Wales) Act 2004 (the 2004 Act) and guidance issued by the Auditor General for Wales.

Audit opinion: Unqualified

On the basis of my audit, in my opinion no matters have come to my attention to give cause for concern that, in any material respect, the information reported in this Annual Return:

- has not been prepared in accordance with proper practices;
- that relevant legislative and regulatory requirements have not been met;
- is not consistent with the Council's governance arrangements; and
- that the Council does not have proper arrangements in place to secure economy, efficiency and effectiveness in its use of resources.

Other matters and recommendations

I draw the Council's attention to the following matters and recommendations which do not affect my audit opinion but should be addressed by the Council:

Negative response to assertion 1 of the AGS

I draw attention to the negative response to assertion 1 in the Annual Governance Statement. In exercising its statutory functions, the Council will benefit from having a clear vision for its community that has been developed in partnership / consultation with all sections of the community. Developing this vision will help inform Council plans, budgets and activities to ensure the Council best works with and in the interests of the community.

Further information is provided in the Finance and Governance Toolkit for Community and Town Councils.

Negative response to assertion 2 of the AGS

I draw attention to the negative response in the Annual Governance Statement. The Annual Governance Statement sets out the minimum governance standards that the Council should comply with.

I note that the Council has not met its obligation under the Local Government and Elections (Wales) Act 2021 to create and publish a training plan.

We recommend that the Council creates a training plan to ensure that all members understand and are properly equipped to fulfil their role.

Negative response to assertion 8 of the AGS

I draw attention to the negative response in the Annual Governance Statement. Assertion 8 deals with audit findings and recommendations from previous year internal and external audits.

We recommend that the Council implement the recommendations of previous audits, to be able to provide a positive response to this assertion in future years.

There are no further matters I wish to draw to the Council's attention.

 Deryck Evans, Audit Manager, Audit Wales For and on behalf of the Auditor General for Wales	Date: 27/02/2026
